## Notes & Details

This Regency top mounted paper towel dispenser is a functional, yet attractive addition to your commercial restroom. This piece is made of durable 18-gauge type 304 stainless steel for long-lasting use. It is designed to pair with your Regency 12" wide hand sink for convenient use.

This set features a Lavex stainless steel 200 c-fold or 275 multifold surface-mounted paper towel dispenser. A front viewing slot serves as an indicator for the towel level inside the dispenser, allowing your staff see at a glance when it's time for a refill. This dispenser holds enough towels that you can stay focused on other tasks and not have to constantly worry about refilling it. This towel dispenser comes with a key so that you can lock it and restrict access. It's a useful feature for all applications, but particularly in ones where damage or risk of tampering is a concern. It also includes mounting hardware for easy installation.

### Set Includes:

- Lavex stainless steel 200 c-fold or 275 multifold surface-mounted paper towel dispenser
- 12" wide mounting back piece
