Notes & Details

Enhance staff efficiency and productivity when preparing specialty drinks with the Regency 12" x 23" stainless steel blender station with dump sink. This unit combines a recessed step with a 9" x 9" x 4" dump sink for unparalleled convenience. The stainless steel step features a 1 1/2" grommet hole for blender power cords. A 3" backsplash works to protect nearby walls and floors.

This unit boasts a stainless steel blender shelf and sink with stainless steel leg gussets, galvanized steel legs, and plastic bullet feet. It comes prepared for installation with a 1" IPS drain and two pre-cut holes on 4" centers in the backsplash to accommodate a splash-mount faucet (sold separately).
