Notes & Details

Use these Regency 5" heavy duty zinc swivel plate casters to conveniently and easily make your work table or equipment stand mobile. These casters swap out with the bullet feet that came with your work table or stand so that you can easily move it for cleaning, storage, and other purposes. Two casters come with brakes to ensure your unit is stable during stationary use. Made of a durable zinc construction with a polyurethane tread, each caster boasts a 200 lb. load capacity.
