Notes & Details

This three compartment sink from Regency brings an incredible combination of performance, quality, and convenience that is sure to boost efficiency in your kitchen! This commercial sink / dishtable is made of 16-gauge type 304 stainless steel, making it a durable, corrosion-resistant package that is sure to last over the long haul. The left 27" drainboard boasts plenty of space to accommodate dishes and utensils or a dish rack going into your dishwasher, providing a convenient resting place until they're ready to load.

This sink features three 20" x 20" x 12" bowls for washing, rinsing, and sanitizing dishes, utensils, and cookware, making it an essential addition to restaurants, cafeterias, and other food service establishments. Plus, each bowl includes a 3 1/2" basket strainer to catch food debris, which prevents the drain from clogging. The holes punched on 8" centers allow for easy installation of a faucet (sold separately). A surrounding lip helps contain dishes and spills to prevent messes.

Perfect for use in restaurant and hotel dishwashing stations, this unit has an angled lip on one side that attaches to your dishwasher (sold separately) for a convenient setup that makes it easier to clean your dinnerware and cookware. The table features a 10 3/4" high backsplash to protect your walls and floors, along with a 2" return for drainage. Plus, its 1 5/8" diameter stainless steel legs and durable bullet feet protect your floors from scratches and keep your table stable. Ensure fast, efficient dish room operations with this comprehensive dishtable package!
