Notes & Details

Equip your kitchen, prep area, or bar with this Regency 10" x 14" x 10" 20 gauge stainless steel three compartment drop-in sink with two 12" swing faucets. This sink features a drop-in design that fits down through the top of your counter. It has an innovative self rim design along the top to provide a professional appearance once it's installed in any countertop.

Designed for durability, corrosion-resistance, and sanitation this sink's bowls are made of seamless deep drawn 20 gauge, type 304 stainless steel. Plus, the 3 1/2" drains with a 1 1/2" IPS drain connections are ready for installation so you can get your new sink up and running.

This Regency sink comes with two faucets so you don't need to worry about purchasing a compatible faucet separately. The 12" swing faucets with 4" centers and a 2 GPM flow rate mean you'll be able immediately start using your new sink.
