#600EBTLKEY

Technical Data

Type	Keys Lock Assemblies
------	-------------------------

Features

- Helps to protect your supplies from theft or tampering
- Direct replacement for the original part
- Fits only Regency sliding wall cabinets and enclosed base tables

Notes & Details

Replace a broken lock on your table or cabinet with this Regency lock and key set. This lock and key work with compatible Regency units to help you to protect your supplies against theft or tampering. It is a direct replacement for the original part that came with your Regency sliding wall cabinet or enclosed base table so you can continue to secure personal items or backup supplies.
