Notes & Details

Maintain a sanitary environment in your restaurant, stadium, or manufacturing facility by providing a convenient way for people to quickly wash their hands with this Regency single-hole hand sink for a wall-mounted faucet! Made of rugged 16 gauge type 304 stainless steel, this sink is rust- and corrosion-resistant. It's extremely durable and built for everyday commercial use.

This free-standing sink station includes a punched hole, allowing you to add a compatible single-hole faucet (sold separately). Installing a compatible hands-free, wall-mounted gooseneck faucet would be the perfect addition to this sink, as the gooseneck shape provides the right amount of clearance for handwashing. Likewise, The unit is also equipped with a spacious 8" deep sink bowl for handwashing applications.

The unit's legs are made of stainless steel, and they feature bullet feet that offer 1" of adjustability for convenience. A 3 1/2" high backsplash protects your walls from splashing and water damage. Plus, the included 3 1/2" drain basket keeps your drain clog-free. This unit comes with a 1 1/2" IPS drain connection. For safety, the outer edge of the sink bowl is curled under to eliminate any sharp edges.
