Notes & Details

Keep your restaurant up to code without sacrificing space with this space saver hand sink with side splash. Suitable for wall or surface mounting, this sink comes standard with a single 14" x 10" x 5" bowl and 8" high side splashes. Additionally, this hand sink has two holes punched on 4" centers. This sink offers an economical, 20-gauge type 304 stainless steel construction along its top and bowl, in addition to 18-gauge type 304 stainless steel side splashes and a wall mounted clip. It comes standard with a 1 1/2" IPS drain basket.

The top-mounted paper towel dispenser is made of durable 18-gauge type 304 stainless steel for long-lasting use. It holds enough towels that you can stay focused on other tasks and not have to constantly worry about refilling it. This towel dispenser comes with a key so that you can lock it and restrict access. It's a useful feature for all applications, but particularly in ones where damage or risk of tampering is a concern.
