- 17 3/4"
- 18 gauge galvanized steel construction
- Includes adjustable plastic bullet foot
- Set-screw installation makes replacement a breeze

## Plan View

## Notes & Details

This Regency replacement leg allows you to easily replace the worn or damaged component on 14" deep Regency utility sinks! Measuring  $17 \frac{3}{4}"$  long and equipped with an adjustable plastic bullet foot to accommodate uneven floors, this 18 gauge galvanized steel leg provides your sink with a solid, reliable foundation to rest upon so you always have somewhere to rinse mops, soiled laundry, and do other general cleaning / prep work. It also installs using a simple set screw so setup is quick and easy.
