Notes & Details

Increase dishwashing efficiency in your commercial kitchen with the Regency 20" mobile silverware soaking sink with a detachable chute. This soaking sink's durable construction can withstand frequent use anywhere in a commercial kitchen, and its 4 swivel casters (two with brakes) make relocating the unit a simple task. In busy dish rooms, the detachable chute makes it easy to sort out silverware and drop it into the soaking sink.

Durable for your long-term use, this mobile sink is made of 16 gauge type 304 stainless steel and features stainless steel tubular legs. Perfect for soaking silverware prior to the wash cycle, it can also be used as a utility sink wherever it's needed.

With the twist action lever drain, emptying the bowl for immediate cleaning and speedy refilling is simple. This mobile soaking sink accommodates 19 3/4" x 19 3/4" dishwasher racks (sold separately).
