Notes & Details

Add valuable sorting space to your kitchen while increasing dishwashing efficiency with this Regency 30" x 48" 16 gauge type 304 stainless steel sorting table and mobile silverware soaking sink! This sorting table features the heavy-duty welded construction of Regency work tables with the added benefit of a 3" raised edge on all sides to contain the mess of warewashing! The table is perfect for virtually any food service operation, providing a convenient place for staff to categorize dishes for drying.

Thanks to the table's stainless steel side and rear bracing on the unit secured by strong sockets, this table has enough support to hold even the largest stacks of dinnerware. The 3" high raised edges on all four sides help to contain messes, making this table an easy-to-clean addition to any busy commercial kitchen. The heavy-duty 16 gauge type 304 stainless steel offers more durability and corrosion resistance than type 430, and with a durable type 304 stainless steel tabletop, legs, sockets, and bullet feet, this table is built to last in heavy-use, commercial applications. The mobile sink is also made of 16 gauge type 304 stainless steel, and it's perfect for soaking silverware prior to the wash cycle and can be used as a utility sink wherever it's needed.

This mobile silverware soaking sink is perfect for soaking silverware prior to the wash cycle, ensuring a complete cleaning. This soaking sink's durable construction can withstand frequent use anywhere in a commercial kitchen, and its 4 swivel casters make relocating the unit a simple task. This mobile soaking sink accommodates 19 3/4" x 19 3/4" dishwasher baskets (sold separately). With the twist action lever drain, emptying the bowl for immediate cleaning and speedy refilling is simple. This sink is durable and easy to maneuver, thanks to its stainless steel tubular legs and 4 swivel casters (two with brakes).
