- Corrosion-resistant 18-gauge, type 430 stainless steel
- Adjustable to accommodate items of varying sizes
- Increases storage space
- Supports up to 280 lb.

## Plan View

## Notes & Details

Add valuable storage space to your Regency work table with this undershelf! This undershelf is compatible with 18" x 36" work tables. It adds an extra shelf to your table to store frequently used items such as prep tools, cutting boards, bar towels, oven mitts, pans, and trays. Thanks to its adjustable design, you can move it higher or lower to accommodate items of varying sizes. Plus, it supports up to 280 lb.

This undershelf is made of 18-gauge, type 430 stainless steel for maximum durability and corrosion resistance. It is easy to clean and sanitize and provides a sleek, professional appearance, making it ideal for commercial kitchens. Accessorize your work table with this undershelf to store commonly used items that you want to keep within arms' reach.

*This undershelf is designed to fit 18" x 36" Regency work tables. Its actual dimensions are shorter than the table in length and width because the table legs are set in under the table top.*
