Notes & Details

This Regency 24" x 120" commercial open base work table is constructed from durable, easy-to-clean 16-gauge type 304 stainless steel. It is designed to provide additional space for food preparation and other tasks within your commercial kitchen. Due to its all-stainless steel construction, this work table is corrosion-resistant and even suited for damp environments. Plus, its open base allows you to easily store bins or equipment underneath!

The six legs and adjustable feet of this work table are also made of tubular stainless steel, ensuring long-lasting performance under heavy use for years to come. The table has a maximum weight capacity of approximately 800 lb. of evenly distributed weight, and it's long enough to accommodate multiple prep workers.
