## Notes & Details

Outfit your facility with a long-lasting sink that will meet your needs with this Regency three compartment sink. This durable sink is made with high-quality, welded 16 gauge, type 304 stainless steel for durability, corrosion resistance, and long-lasting use. It's dipped a minimum of 1/4" to facilitate better drainage, and it also features 1 5/8" stainless steel legs with stainless steel cross bracing, sockets, and bullet feet for added stability.

This sink features three 18" x 24" x 14" sink bowls that each include one 3 1/2" drain basket strainer to catch food debris, which prevents the drain from clogging, and a 1 1/2" IPS drain connection. For easy cleaning, the compartments have rounded corners so you can rinse and wipe down the sink. This sink also includes a 1 1/2" raised, rolled edge that raises to 2" on the front and both sides, as well as a 9 3/4" tall backsplash to contain splashes and overflow. The sink is designed with two 1 1/8" diameter holes punched on 8" centers to accommodate a faucet (sold separately). Designed for medium-duty use, this Regency sink is ideal for most restaurants.
