Notes & Details

Make the most of the space that you have with this Regency 18" x 30" 18 gauge type 304 stainless steel filler table with a drop-in sink. This stainless steel commercial 30" x 18" equipment filler table with 6" side splashes, a 6" backsplash, and undershelf is designed to help you maximize the space in your kitchen where every inch matters.

The top shelf is made of durable and easy-to-clean 18 gauge type 304 stainless steel, offering excellent durability and a professional looking finish. With its narrow footprint at just 18" in width, this table easily fits between kitchen equipment to provide important extra work space for food preparation, storage supplies, and other tasks within your business.

The work table's adjustable undershelf is made from 18 gauge stainless steel. A 6" high backsplash is included to help protect walls and contain items on the work top. The legs of this work table are 1 5/8" in diameter and are also made of stainless steel, with feet that are adjustable up to 1".

This table comes with a drop-in sink with 6" side splashes so you can set up a handy dump sink right where it makes the most sense for your kitchen's layout. It includes two holes for a faucet with 4" centers (sold separately).
