| Type           | Drink Rails                      |

Features

- 18 gauge type 304 stainless steel
- Removable perforated grate for easy cleaning
- Stainless steel 1/4" NPT drain
- Underbar mount
- Drains excess beer and foam and keeps up cleanliness

Certifications

Dishwasher Safe

NSF Certified

Made of 18 gauge type 304 stainless steel, you can expect a tough and durable composition, as well as the benefit of being non-corrosive. The perforated top grate features 3/8" drain holes and is removable for easy cleaning and maintenance. Featuring 4 pre-drilled mounting holes, this rail is designed to be mounted to the underside of a wooden bar or shelf. A 1/4" NPT drain allows any liquids to flow out of the rail, preventing overflows onto the floor or counter.
