Notes & Details

This Regency 24" x 96" commercial open base work table with a 4" backsplash is constructed from durable, easy-to-clean 16-gauge type 304 stainless steel. It is designed to provide additional space for food preparation and other tasks within your commercial kitchen. Due to its all-stainless steel construction, this work table is corrosion-resistant and even suited for damp environments. Plus, its open base allows you to easily store bins or equipment underneath!

The four legs and adjustable feet of this work table are also made of tubular stainless steel, ensuring long-lasting performance under heavy use for years to come. This work table features a 4" backsplash with a 1" return to help prevent messy spills and keep your prep supplies from falling off the back. The table has a maximum weight capacity of approximately 760 lb. of evenly distributed weight.
