

200 Series Cocktail Tables

Date Modified: 11-01-2005

Table Tops

- Table top constructed of 3/4" thick, A/C, 7 ply exterior grade plywood
- Corners rounded (1 1/4" radius)
- Top coated with walnut sealer stain and finished with polyurethane protectant
- Edges protected by "T" molded aluminum C-channel wrapped metal edge
 - Secured by two staples at seam
- Laminate cocktails have a .50 mm WilsonArt® laminate thermoformed top to 5/8" plywood core

Legs

- Tops attached via 1 1/2 "diameter tapered steel column
- Attached to notched K-plate and aluminum base

Warranty

Resilient warrants that all 200 Series Tables will be new and manufactured with quality materials and workmanship. Resilient further agrees to replace promptly any part or parts which by reason of defective material or workmanship shall fail under normal use for a period of five years from date of acceptance. This warranty does not apply when product has been altered or tampered with in any way or when subjected to negligence or abuse. Warranty for rental companies is 1 year. All warranty issues are subject to management approval and are deemed prorated.
