

## Scensibles® Personal Disposal Bag Refill

### Key Features

Openly talking about periods can be difficult, but discussing menstrual product waste is even harder –until now. Finally, a system for safe and sanitary disposal of tampons and pads. Scensibles® personal disposal bags should be dispensed inside each restroom stall to help maintain clean-restroom standards. These lightly scented bags reduce or eliminate unpleasant odors while keeping offensive waste out of view. In addition, they help to minimize exposure to possible blood-borne pathogens and harmful germs while ensuring safe and hygienic handling for custodial staff. The Scensibles® system can be used alone, or to complement existing stall waste receptacles

SKU	SBX50
