

20" STEEL CORE® COMBO SNOW SHOVEL & PUSHER | SC2700KDD

Winter is no match for the 20 in. Combo Snow Shovel & Pusher by Suncast®. The unique blade shape and angled rib pattern combines the features of a snow shovel and pusher in one versatile package for all-purpose snow removal. The blade is also equipped with a durable galvanized steel wear-strip for ultimate longevity so it can tackle whatever snow is in its path.

FEATURES

- Blade design combines the elements of a shovel and pusher for optimal snow removal
 - Galvanized steel wear-strip protects the integrity of the blade
 - Standard D-grip handle for ease and control
 - Angled rib pattern on the blade to resist snow-stick
 - Durable steel shaft with rust-resistant, powder-coated finish
 - Some assembly is required
- * Packaging is in English and French
