7.0 Directions for Use

Used wet or dry to scrub cookware. Because of this product's aggressiveness, it is not recommended for use on polished or easily scratched surfaces.

Recommendation: Test in a small area before to use.

Use gloves, reduce the skin abrasion.

After use throw the pad away or rinse the pad with water to remove the dirt particles, then squeeze to wring out excess water and store on a dry surface.

8.0 Quick Facts
