Notes & Details

Keep your packaged sandwiches, hot dogs, or snacks hot, fresh, and ready to enjoy by choosing this ServIt 18" Hot N' Fresh self-service countertop display warmer with 4 shelves! Add this unit to your pizza shop, kiosk, convenience store, concession stand, movie theater, or food truck to hold freshly made wrapped sandwiches or other hot foods and show them off to your customers. This countertop warmer offers 4 chrome-plated shelves that can hold pizzas up to 18" or any other hot grab-and-go food. When this warmer is installed on your counter, it will draw in customers with bright LED lighting and backlit decals on 3 sides of the unit. It has 4 glass sides so customers can see your delicious snacks from any angle, and the double glass doors allow simple loading or unloading from the front or back. This makes the warmer great for self-serve applications as employees can load the warmer from 1 side and customers can serve themselves from the other!

Customize the outside of this cabinet with ServIt Hot N' Fresh and pizza decal sets, which come with 3 decals each, exactly what you need to outfit 1 warmer. They offer bright, colorful graphics so customers can tell from a distance what you have to offer. Each unit comes with 1 pack of 3 "Hot N' Fresh" decals, as well as 1 pack of 3 "Fresh Hot Pizza" decals for use with the included pizza rack so you can draw in hungry customers and boost sales! Inside, the cabinet features a water pan that provides passive humidity to prevent food from drying out before being served. The adjustable heat control offers a range of 86-194 degrees Fahrenheit. It requires a 120V electrical connection and has an output of 1700W.
