Notes & Details

Keep your flatware organized and readily available with this ServIt 32" stainless steel flatware / tray cart with 18 flatware cylinders included. This cart is made of 16 gauge 304 stainless steel for long-lasting use. Its sleek design makes it ideal for front and back of house use. The top of the cart holds up to 18 flatware cylinders which conveniently come with the unit. Each of these included cylinders boasts a white plastic perforated construction. The cylinders allow you to keep an ample supply of utensils ready for your guests. Additionally, the cart's open front compartment allows you to easily store up to (200) 14" x 18" trays (sold separately).

This flatware cart includes 4 casters that are each equipped with brakes, giving you stability during service. The cart also has corner bumpers for added safety, protecting nearby walls, appliances, and furniture. The unit comes fully assembled and ready for use. Add this convenient cart to your restaurant, cafeteria, or cafe to make your foodservice quicker and more efficient.
