# Performance from start to finish

SOLUT!'s thermoformed paper products are a sustainable solution for disposable food packaging that can deliver the performance you need. Made in the USA in an SQF and FDA certified facility, our products deliver superior strength for optimal handling throughout prep and service.

## Disposable Serving Trays

- Reduces risk of cross-contamination vs. reusable plastic trays
- Pre-formed, 3-ply paper trays require no assembly
- Will not crack or break like Styrofoam or molded fiber trays
