

24" UHMW PUSHER | SPUH2400/SPUH2400D

Help dig out your property from rough winter weather with the Suncast® UHMW® Snow Pusher. This durable snow pusher features a Steel Core® shaft encased with a resin covering combines the strength and longevity of steel for maximum snow pushing power with minimal effort. The Center Force® handle transfers the increased pushing power from the handle to the blade. The non-stick surface allows snow to easily slide off blade making it easy to tackle your snow removal needs.

FEATURES

- Wide 24" blade allows for efficient removal of light-fluffy snowfall
 - UHMW-PE blade material is long-lasting, wear resistant, and impact resistant
 - Center Force® handle utilizes full body strength for easier snow removal
 - Steel Core® shaft encased with a resin covering combines the strength and longevity of steel
 - Non-stick surface allows snow to easily slide off blade
 - Safe to use on driveways, wood decks, steps, sidewalks, and patios
 - Simple bolt-together construction
 - Made in the USA
- * Packaging is in English and French
