

Inventory 1 Size Instead of 5 Snap It On & Convert Neck Size

REDUCE INVENTORY

- Stock one neck size - 14"
- Scales down 14" neck to 6", 8", 10", or 12"
- Sold alone or in kits with 14" diffusers and returns

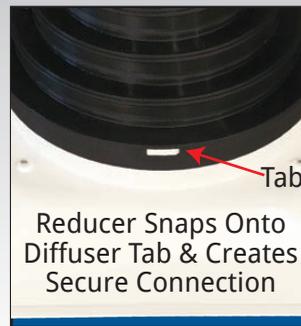

REDUCE PREP TIME

- No measuring & counting
- No running out of neck sizes
- Quickly adjust reducer onsite with needle nose pliers

REDUCE INSTALL TIME

- Snaps onto neck and holds tight no need to tie it on or use screws
- Rigid plastic won't collapse during install like rubber product

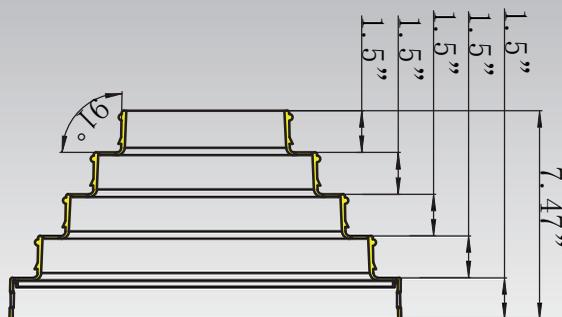

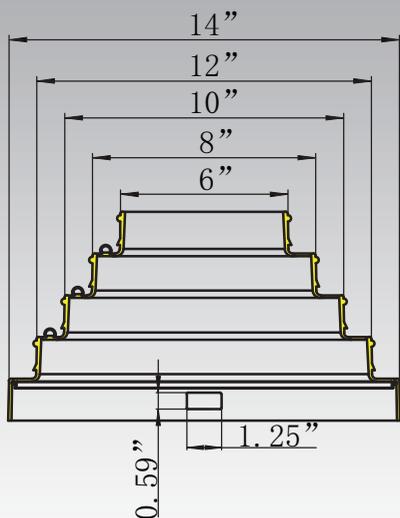

REDUCE FRUSTRATION

- Unique Strapping Ridge prevents slip off when reducer is strapped onto duct

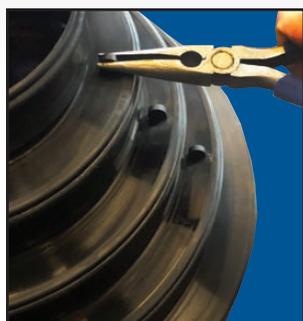

STRATUS™
