

SANITIZING DISPENSER FOR BUCKET WIPES

SW-KD HMG

shown with KDHR (not included)

Perfect as a stand-alone dispenser, or as an addition to your Kaleidoscope or Black Tie Recycling Center, this touch-free unit will help you provide sanitizing wipes for a healthy, germ-free environment.

Compatible with most center-pull bucketed wipe rolls - Disinfectant Wipes, Anti-Bacterial Wipes, Sanitizing Wipes, and more! Interior shelf for holding bucket fits maximum size of 12.5" D x 10" H (**wipes not included**).

FEATURES & BENEFITS

- Designed for hygienic, touch-free use with wipes pulled through a 1.093" diameter grommet with teeth to help wipes stand up and tear easily
- Crisp, white, easy-to-read graphic pre-applied on two sides
- Premium powder coat finish on body in Hammered Grey gloss
- Satin Stainless steel lid for easy cleaning
- Interior removable support shelf holds the bucket of wipes in use at the user level for dispensing and allows for one, or more, buckets of wipes to be stored underneath.
 - Removable shelf depth is 10.119" and storage area below shelf is 19.353" high
 - No tools or assembly required
- Sturdy feet to protect floor surfaces and keep unit slightly elevated to allow for air circulation and prevent mold/mildew growth and "mop around" rings
- Replacement parts shown on product pages at ex-cell.com
- Bodies contain over 30% recycled materials, lids contain over 60% recycled materials, and entire receptacles are 100% post-consumer recyclable
- Made in the USA

As a result of our commitment to continuous improvements, occasionally minor changes may be made to our products without advance notice. Such changes are minor and have no effect on the form, fit and function of a product but may result in a minor cosmetic difference. Ex-Cell Kaiser will never mix any products that may have modifications within a single order. Our website will always reflect the most current product image.
