

# Tangier

## Moroccan Magic on Your Table

Ariané's Tangier Collection is an extravagant journey into pulsating Moroccan bazaars and their ornate architecture. Intricate geometric patterns decked in warm earthy tones shed light on the rich heritage of North Africa. The Tangier pattern was designed especially for chefs and restaurateurs seeking to bring an exotic and unique touch to their table settings.

Reflective of mosaic designs gracing the famous courtyards and palaces in Morocco, the richly warm terracotta, creamy ivory, and soft blues mould into a vivid table presentation blending into any culinary setting, seamlessly.

Robust and elegant and at the same time, it's the perfect blend of tradition intertwined with contemporary trends of fine dining. Each piece in the collection narrates a story of artistry and fine craftsmanship. Tangier is an invitation to discover and relive Moroccan heritage taking diners on a delicious and breathtaking journey.

#### INGENIOUS TECHNOLOGY

Behind the subtle designs and durability lays a robust technology that combines premium raw materials like kaolin, quartz and feldspar and optimizes the usage of these raw materials to extract their best properties. The combination of modern state-of-the-art manufacturing facilities, and up-to-date German machineries, produces exceptionally durable porcelain dinnerware items, maintaining a value for money proposition.

#### INTERNATIONAL DISTRIBUTION

Accessibility is the key to a great brand. We live up to this expectation by deploying an easy reach distribution strategy that comprises strategic tie-ups with leading hotel suppliers and industry players from all over the world. You'd find us in all leading hospitality procurement hubs.

#### DESIGN AND FUNCTIONALITY

Service with a personal touch plays an integral part in the world of hospitality. We offer the possibility for personalization according to all our clients' company identities and special requirements. The result is modern designs combined with individualism. Ariane Fine Porcelain offers a flexible approach to customized decorations and production lines with personalized décor, shapes, patterns, décor variations and custom-made logos to its customers in order to meet all their diverse requirements.

#### COMPETENT SERVICES

At Ariane Fine Porcelain an effective and clear distribution & replacement structure has been put in place to give an effective delivery and after-sales service.

#### CERTIFICATIONS

Ariane Fine Porcelain successfully meets stringent global quality standards such as physical tests certification from SFC France and quality tests (dishwasher safe, edge-chip resistant, microwave & oven safe, steel/metal marking test) certifications by LUCIDEON, UK for our superior quality porcelain tableware that live up to world-class international standards.

Ariane Fine Porcelain has certified the ISO 9001:2015 for quality management and SA-8000:2008 for social accountability by TÜV, Germany.

Ariane Fine Porcelain products have approved with the Vegetarian Society of UK for being 100% vegetarian. Every article of table ware contains no bone ash. Ariane Fine Porcelain thereby provides an absolutely hygienic vegetarian solution to markets that are exclusively vegetarian. It has also certified by Halal Committee, Mumbai, India.

The contents of this catalogue may be changed or cancelled at the discretion of the ARIANE management without prior notice.

In the printing of this brochure, every effort has been made to ensure perfect reproduction of product colours, but due to printing limitations, they may not be an exact match to the actual product.

# QUALITY WITHOUT COMPROMISE

Hospitality is a demanding industry that has specific, ever-evolving needs. The unique blend and amalgamation of raw materials, breakthrough technology and a quality assurance team guarantees that all Ariane Fine Porcelain items are kept in line with these requirements.

38

#### DISHWASHER SAFE

Our porcelain is fired at high temperatures which making it highly resistant to repeated dish washing cycles at high temperature.

#### MICROWAVE & SALAMANDER SAFE

Ariane Porcelain products are both microwave and salamander safe due to their heat resistant layer of glaze. (Other than products with all kind of decorations including with precious metals like Gold, Platinum etc.)

#### SMOOTH APPEARANCE

The special glaze fired at high temperatures not only gives all our porcelain a smooth, clean finish, but also ensures that it becomes completely non-porous, guaranteeing higher levels of hygiene.

#### ABRASION PROOF

The special glazing fired under high temperature ensures strong resistance to scratches or abrasions.

#### LIMITED DANGER IN CASE OF BREAKAGE

The products are designed to avoid breakage hazards, as they break cleanly into safety manageable pieces.

#### THERMAL SHOCK PROOF

Ariane Fine Porcelain not only retains heat to keep the food warm, but also is resistant to variations in temperature.

#### PERFECT FUNCTIONALITY

All our designs focus on absolute functionality. Most items are stackable including cups, bowls and platters, which enables the most efficient use of space.

#### HIGH CHIP RESISTANCE

The special high alumina material used by Ariane Fine Porcelain offers strength, durability and resistance against chipping to critical points like edges of cups, plates and handles.

#### ARIANE ANTI-MICROBIAL TECHNOLOGY

Ariane Fine Porcelain brings to you the first commercial porcelain tableware that incorporates "Anti-Microbial Technology" and also manages to meet the demands of high-volume food-service operations from fast-casual eateries with counter service to fine-dining restaurants.
