

Fusion 3000 Metered Aerosols

30-day air freshener system

Universal actuator

Fits most existing dispensers avoiding any costly dispenser change outs when switching to Fusion 3000 refills.

Eliminates odors

Contains Hygiezene which encapsulates and neutralized odors. Freshens up to 6,000 cubic feet.

Each spray freshens longer

Fusion's smaller particle size stay in the air longer than competitive sprays with larger particles that fall quickly to the floor.

Environmentally friendly

No VOC's or ozone depleting ingredients making them available for sale in all 50 states.

Universal actuator fits most existing dispensers
