## Notes & Details

This Waterloo 8" pre-rinse add-on faucet is a perfect replacement for the one that came with your Waterloo pre-rinse unit, or you can use it to easily add versatility to a pre-rinse without an add-on faucet. It installs above the faucet base and features an 8" swing spout that is perfect for filling up sink compartments to complete your warewashing tasks. It's also great for mixing up cleaning solutions in sanitation pails.

The top has a 3/8" NPT female connection to let you easily attach the pre-rinse faucet riser.
