## SERIES "WP"

### Heavy Duty, Welded Steel Work Platforms

THE COTTERMAN® SERIES WP Work Platforms have a higher load capacity and larger platform for two people, plus tools.

- 800 lb. load rating.
- 50° climb angle.
- Rests on two 2½" rubber pads.
- Two 4" rigid heavy duty casters on the rear are standard. The optional Cotterman® SafeLock on the step side provides greater mobility.
- Steps and platforms are constructed of heavy duty serrated tread.
- 36" high handrails with midrail are standard on 5 thru 7 step models. 30" handrails optional on 2 thru 4 step models.
- Work Platforms meet applicable OSHA and ANSI standards.
