

General Information

Project Name: _____

Consultant: _____

Item #: _____

Model #: _____

Quantity: _____

Model #WTS-2842

Specifications

WTS Mobile Serving Tables are constructed of 14GA or 16GA type 300 series S/S top & 18GA type 300 series S/S undershelf.

16GA S/S top w/ S/S reinforcement channels come standard. An 18GA S/S 6" apron is placed on all (4) sides of the table.

Legs are constructed of 16GA 1¼" x 1¼" square tubing that is fully welded to the top & apron.

An integrated 16GA S/S 12" wide "V" tray slide is mounted on drop down brackets & easily folds down when ready to move table.

Unit comes with 5" casters, (2) with brakes.

Sound deadening is standard on all Model #WTS units.

Product Guide

Mobile Serving Tables are designed to conveniently maneuver around your facility & aid in your meal service.

Large worktop enables you to showcase & serve your most desirable foods.

The built-in tray slide can accommodate most tray sizes.

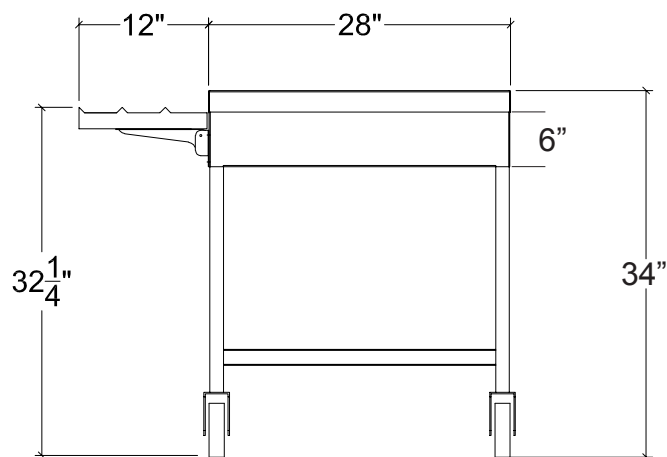

Welded undershelf provides extra storage space as needed.
