

WWCM Waffle Cone Rolling & Forming Tool 2019:

Waffle cone length and diameter for the

CAC121 / # 033041:

034941 Rolling Tool

034942 Forming Tool

CAC122 / # 033042:

035836 Pusher

035835 Waffle Bowl Mold

Answer:

The waffle cone size will vary based on how much batter is used but here are the approximate details:

Cone Forming Tools	Waffle cone height	Waffle cone opening, diameter
CAC121-Large Tools	7 ¼ - 7 ½ inches	~4 inches
CAC121S- Small Tools	7 ¼ - 7 ½ inches	2 ½ - 2 ¾ inches

WWCM cone makers CAC121 & CAC121S Size 2019:

What is the current diameter of the waffle cones makers?

Can you tell me the diameter of the maker itself?

The Waffle Roller Tool diameter?

Plates are about 7 ¾" diameter.

From: Judy Dallis June 05, 2019

CAC121:

3 1/16" dia.

5 1/2" length

From: Judy Dallis June 05, 2019

Can you measure the diameter of the CAC121S.

We don't have any in stock in Torrington.

I usually ask Tom, but he is out.

It is a small waffle cone maker.

From: Judy Dallis June 05, 2019

CAC121S:

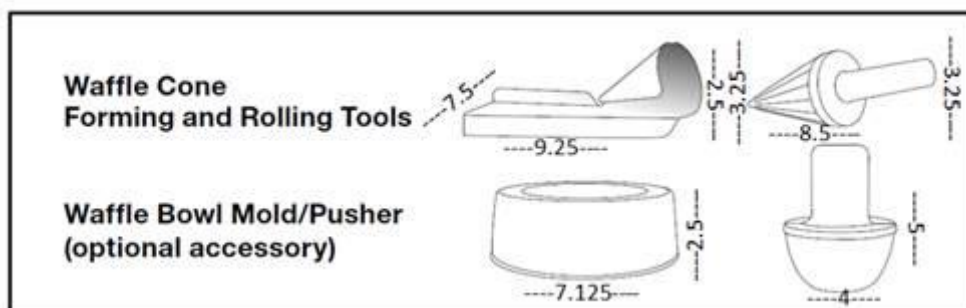

The diameter of the cone maker is **2 1/4 inches.**
